It's understandable why the band was kicked

out of many hotels.
Such destructive
behaviour stemmed from

Moon's early and eager use of amphetamines.
In an interview with New Musical Express, New Musical Express, Moon told the magazine that "French Blues" – an anti-depressant in the amphetamine family – were his favourite food. These were regularly paired with excessive amounts of booze. Strangely though his

Moon began to regularly pass out on stage during gigs.

It first happened in 1973, when some groupies had to carry him off stage.

In 1976, he did it again to the Rector Cardon

at the Boston Garden.
The following night he
destroyed his hotel room

and passed out, bleeding from a cut.

The Who's manager took him to hospital — where, according to Fletcher, doctors said Moon would have bled to death if not for the manager's intervention.

At that point, there was talk of firing Moon.

But his band members feared that by doing

Cocaine

By August 1978, The Who released Who Are You and there was hope that his behaviour would begin to calm down due to Moon's recent use of Heminevrin-a powerful sedative that helped to curb alcohol cravings.

On September 6, Moon attended a party and film premier in honour of Buddy Holly's 42nd birthday with his girlfriend, Annette

When she awoke in the late afternoon, she went to check on him. He wasn't breathing and she panicked, ringing a doctor.

Overdose

But it was too late. He had already been dead for hours.
The body was taken to Middlesex Hospital and legendary drummer Keith Moon was pronounced officially

dead at 5.50pm on September 7, 1978. The official cause of death was listed as a Heminevrin overdose, without suicidal

THE GONG SHOW

DURING The Who's UK tour in late 1967, Moon relished tormenting The Herd, their opening band. Keyboardist Andy Bown once found his instrument wired with firecrackers, which Moon detonated electronically from backstage during the band's set.

PUBLIC SERVICE ANNOUNCEMENT

ONE of Moon's favourite pranks was to disrupt small British villages by blaring bogus public service announcements from a rigged-up passing car, scaring the locals with bulletins about impending tidal waves or advancing poisonous snakes.

TROUSER TEST

"LEGS" Larry Smith, of the Bonzo Dog Doo Dah
Band, would ask to be shown a Marks and Spencer
store's most durable work trousers, then express
concern that they might not be strong enough –
whereupon Moon would offer to help test them.

KIDNAPPED VICAR

MOON loved dressing up as a bald vicar, who would frighten old ladies by suddenly screaming torrents of obscenitles at them.
Once, he even staged the "vicar" being kidnapped and bundled into a car – leading to a police chase.

DARK SIDE OF THE MOON

IN 1970, Moon and former Bonzos frontman Viv

Stanshall dressed up as Nazi officers for a record
company photo shoot – and then went out drinking
while still wearing the uniforms.

WATERBED WRECKER

ON August 25, 1972, at a luxury hotel in Copenhagen, Denmark, Moon wanted to lug the waterbed's water-filled mattress into the elevator, to send it down to the lobby. It burst, unleashing foot-high waves out into the hallway.

PISSING OFF AND PISSING ON
AT the plush George V hotel in Paris in 1972, the
drummer drunkenly invaded John Entwistle's room
as the bassist was sitting down with his wife to eat.
Moon ate some of Entwistle's steak, poured a
bottle of vintage Bordeaux out onto the carpet and pissed against the wall before finally passing out.

WELCOME TO THE CLUB
MOON and Oliver Reed became fast friends during
the filming of *Tommy*. In 1975, Reed was walking
the red carpet at a Hollywood film premiere when he
was suddenly hit in the face by a lemon curd pie.
He later received a card from Moon welcoming
him to the "lemon curd pie club".

DINE AND RUN

DINE AND RUN

DURING the filming of Stardust, a 1974 rock flick in which Moon had a part, young actor Karl Howman insisted on paying for an evening's partying – only to discover it would cost him a month's wages.

Moon suggested they "do a runner" and Howman dashed with the rest of the actors to a waiting limo. The next day, Moon told Howman he'd quietly paid the bill while the actor wasn't looking – but wanted the pretend dash to end the night properly!

'Frankenstein' horror at body parts company

Dear Sam,

for taking the class and I was even more surprised when she started coming on to me.

Soon I was staying behind after each session so we could have sex in the gym's ring.

We'd start with a sparring session before we'd end up grappling on the canvas and ripping each other's clothes off.

She would then suck me to within seconds of completion before spreading her legs on the canvas and thrusting my throbbing cock into her seeking wat pursue.

Problem is, she now wants me to take her up the ringpiece and I'm not keen on the idea. What should I do?

DG. Sussex

Sam says... GIVE it a try, you might just like it.it.

Dear Sam,

MY bird's got a dog that is very protective towards her. The other night she gave me a cracking blowjob (my bird, not the dog).

First she stripped off and teased my throbbing knob with her tongue and tits before then deepthroating me.

I returned the favour and licked out her wet pussy. She was so turned on that she was screaming at me to f**k her good and hard.

I was starting to give her a good seeing-to from behind when I felt this unbelievable pain in my arse.

The dog had sunk its teeth into me and was tucking into my bum like a bowl of pet food, leaving my cheeks in a bloody mess.

I don't want to tell her to choose between the dog or me, because I think she'd go for the dog.

But the bloody animal obviously hates me. What should I do?

The best bit was after we'd gone to an enclosure to have a look at the chimpanzees.

It was such a good performance that my missus, obviously turned on, dragged me away to a little wooden pavilion

obviously turned on, dragged me away to a little wooden pavilion.

Once inside, she pulled down my keks, lifted her skirt and presented her arse for rear entry.

Her minge was soaking in anticipation and I plugged her good and proper – monkey-style.

Now she's on about getting a pet chimp.

What do you think?

Sam says...

CARING for a chimp takes devotion. Stick a wildlife DVD in and hope that does the trick.

<u>Party at country estate</u> led to posh double nosh

Dear Sam,

I'VE had a long-standing fantasy about having my prick sucked by two women at the sametime.

And the other night, fate took a hand and it actually happened.

I was at a boring party on a huge country estate. The guests were all rather posh and talked endlessly about politics and money.

I made an excuse about needing the loo and left the room, but then I got sort flost as I wandered about the massive

loo and left the room, but then I got sort of lost as I wandered about the massive mansion house.

Eventually I pushed open a door, which turned out to be a bedroom, and there on the king-sized four-poster bed were two good-looking naked women laying top-to-toe licking each other out.

Bouncy

I recognised them as two girls who had been at the party who, like me, had probably sneaked off to get away from the boring small talk.

I was about to turn and leave them to it, thinking they were out-and-out lesbos, when one of them called me back into the room.

She was slim and dark-haired, with lovely bouncy boobs.

The other was blonde, with smaller boobs but lovely long legs.

Both of them had trimmed their pussy hair right down and looked very inviting as they lay on top of the silky covers.

silky covers.

I was surprised and delighted when it looked very much like they

vere bisexual after all, not lesbian, as they suggested I join them.

They were sex-mad and, going by the scent of love-juice in the room, they'd

had lots of orgasms already.

After I'd rapidly stripped off, they pushed me flat on my back saying they'd had enough sucking pussy and wanted

some cock.
With that I felt two tongues flicking

With that I felt two tongues flicking up and down my rod.
They were good at it too and I quickly had the hardest erection of my life.
The brunette licked her way slowly along my shaft, while the blonde kept teasing the tip with her hot tongue.
I was soon coated in the girls' saliva and throbbing on the brink of shooting my load as they teased and licked and nibbled away at my knob.
And when I finally did release my man milk, there was MASSES of it.
My hot spunk spurted on the blonde's tongue and then across the face of her

pal, leaving a trail dribbling down her

Then came the part I'll never forget.
The blonde looked at the blobs of spunk
on the brunette's face and licked up

on the brunette's face and licked up every last drop.

The look of pleasure on their faces caused me to get yet another stonker and I shagged them both senseless for what seemed like hours.

When I finally gave in to sheer exhaustion, the two horny babes treated me to some red-hot girl-on-girl action that ended with them both enjoying yet another screaming orgasm.

another screaming orgasm.

What a night. Now I can't wait to meet up with this horny pair at the next party

PHEW! Babes talk with forked tongues, eh?

Shit finish to beer festival loo romp

Dear Sam,

I WENT to a beer festival with a few mates and was pleased to find that it wasn't full of bearded, sandal and sock-wearing real ale bores.

In fact, being a university town, it was rammed full of girl students.

They were in the shortest of shorts in the hot weather

and knocking back the booze like good 'uns.

I quickly decided not to get too pissed as it looked like an opportunity too good to miss.

My mates and I got chatting with one particularly fit looking group and I pulled a busty blonde who was a bit time.

She was obviously up for a bit of fun, so we sneaked off into one of the on-site portable toilets and I soon had her keks off and was licking her out.

Pounding

After a while she repaid the favour and gave my rock-hard cock a good sucking.

Then I plunged in with my knob, pounding her hard

Then I plunged in with my knoo, pounding her hard and fast as she screamed out in pleasure.

We were really going for it when the bog contraption tipped over, sending us crashing arse over tit and trapped inside.

The poor girl was mortified and, after we had been rescued, wouldn't give me her number before she fled.

I'd love to see her again.

Sam says...

I RECKON any hope of a relationship is ALE over already.

Dear Sam,

I NEED help and I'm hoping you're just the person who can help me solve my worrying problem and bring me everything I've always wanted in life. You see, my ideal type of

man is in his mid-40s with neat dark hair and a kind face, is charming and witty and, most important of all, has barrel-loads of money.

The trouble is, I can't seem to find a bloke like that, no matter how hard I

All I seem to end up with are blokes who want to get my knickers down and give me a quick one in the back of a car, in the pub toilets or else in the doorway of the block of flats where I

I don't mind him gawping, it's just human nature.

We will pick out a cute girl to get a private lap dance from. It's such a thrill watching her gyrate up against us.

Australia meanwhile are having an old-school trial game at Southampton as they try and cut a 25-man squad down to 16 or possibly 17 for what is a hectic period of five Tests in seven weeks.

It is possible that the Baggy Greens will have three wicketkeepers given captain Tim Paine could easily be joined by ODI keeper Alex Carey, who batted so well in the World Cup, and Matthew Wade who was shamefully overlooked for the semi-final defeat against England in favour of a badly out of form Peter Hanscomb.

The Aussies won the last Ashes 4-0 down under, but they have not won a series in Britain since 2001 and their hatsman continue to have their problems with the

they have not won a series in Britain since 2001 and their batsman continue to have their problems with the buke ball which Jimmy Anderson and Stuart Broad are so effective with. That said the 2019 version of the Duke cricket ball has a slightly less prominent seam than its predecessor and it will be interesting to see the scores in the Lords Test against Ireland. It has been a great week for Irish sport and Ireland are 28/1 at BetVictor to win at Lord's with England 1/11 and the draw 15/2. Ireland were beaten by Afghanistan in India – where else – in their last Test and I can't see them scoring enough to trouble the hosts. Jason Royls 7/2 at BetVictor to top score for England in his first Test but he is faced with a difficult decision. The crowd will expect fireworks, but the England management want to see him build an innings while still exhibiting the stroke play that lit up the World Cup.

exhibiting the stroke play that lit up the World Cup.

Thrashed

Roy's last first-class game was in Abu Dhabi against Pakistan A back in November and his opening partner Roys Burns has been pulling up few trees in the county championship. With that in mind I feel Joe Denly – who is likely to bat at three – represents the value at 5/1.

The last four second round matches in the World

The last four second round matches in the World Matchplay take place at the Winter Gardens Blackpool this evening and I hope to see lan "Diamond" White reach the last eight at the expense of Steven Bunting. The "Bullet" beat fancied Gerwyn Price in the while White didn't have to at his best to thrash Joe Cullen. White is 4/9 to make the quarter-finals and 11/10 with BetVictor to hit the most 180s which I feel might be overrived against Bunting who described his win

be overpriced against Bunting who described his win over Price as one of the best of his PDC career. Having put up Peter Wright at 10/1 for a first Match-

play title I was pleased to see him transfer his excellent form from the floor to the Winter Garden stage. Snake-bite's 102 average in his 10-5 win against Vincent van der Voort was the highest of round one and I would be disappointed if he didn't beat Simon Whitlock

or appointed in the diant beat simon windows. Wright is 3/10 with BetVictor and the White, Wright and Daryl Gurney – who plays Keegan Brown in the opening last 16 tie this evening – treble plays 16/10 at BetVictor and that is the tip.

the Fremier League season.
The forward has been away at
the African Nations Cup with Senegal, who made it all the way to
the final.
He will now have a short break

but boss Jurgen Klopp will have him back in time.

BATTLER: Laporte

Harry has battle for City shirt says Lap

AYMERIC Laporte says Harry Maguire faces a fight to break into Manchester

City's first team. The England centre-back is expected to join the champions or neighbours United for a fee in the region of £80m.

Should he turn up at the Etihad, most pundits think he'll form a partnership with John Stones as he

does for the Three Lions.
But Laporte is in no
mood to give up his place to the newcomer, while Nicolas Otamendi will

expect to play a lot too. He played 49 times last season and wants to clock up a similar amount this time around.

Laporte said: "Hopefully it can be the same this year, I'm here to start. I'm

going to work for that.
"I don't know if a new
player will be bought by the club.

"Ask Pep what he wants.
I think the three of us are putting ourselves forward to play every game, but we don't decide. The club decides for us."

Maguire seems more likely to join United who have more of a need for a central defender.

That's because Guardiola has also suggested that Fernandinho could drop back into defence now Rodri has arrived.

Hat-trick

Laporte said: "Yes it's possible. Fernandinho is a very good player. I think he can play wherever he wants so, yes, he can play centre-back too."

The Frenchman is proud of the club's effort last season in holding off Liverpool's title challenge.

It took 98 points to retain the title and everyone at the Etihad is focussed on landing a hat-

Laporte added: "We will try. I think we have the same team and there's someone else who has come in who can complete the team but we know it will be difficult."

Further up the pitch, City are trying to keep Leroy Sane at the club. Bayern Munich are keen

to sign the wideman who was in and out of the team last season.

The Germans' chief executive Karl-Heinz Rumenigge has made no secret of his admiration for

the German international.

But reports suggest that
City want him to stay although the player wants more game time in the coming campaign.

JACK HAPPY TO BE COLB

JACK Colback is desperate to take his second chance at Newcastle — after being frozen out by Rafa Benitez.

The Spaniard took an early dislike to the midfielder and quickly offloaded him to Nottingham Forest on loan.

Now he's back at St James's Park and has been picked by Steve Bruce for pre-season matches.

reason. He said: "I got on fine with Rafa when he was here and

played games with him. "It was just out of the blue, which was the only strange

"That's football, I'm big enough to take it on the chin.
"There are a lot better players

than me left out of squads. I went to Forest and really enjoyed my time there.

'Now maybe I've got half a chance back here, so we'll see what happens. It's a bit unexpected to be back, but that's football sometimes. "Obviously, I knew I had a year

left, but I wasn't expecting to come back and be involved. "Things can change. All I've

got to do is apply myself and work hard for the team when selected.

"If I've got a realistic chance to play, then of course. I loved my time here when playing. "It's a great place, St James's. I always gave 100% for the shirt.

I'll continue to do that Now Colback hopes Bruce can

bring some stability to the club after a torrid time which included Benitez walking out

this summer. He added: "The club was in limbo for too long.
"When Rafa went it obviously

took a while to get a new manager in. It was difficult for Ben Dawson and Neil Redfearn, but they've been really good with us. They understood the situation.

"Now we've got the new manager in, we've got to listen to what he wants and, as players, buy into that.

He said: "I don't agree and also that it's false.

"We had an incredible time in Shanghai. We were committed to the co-operation you have to do here in China. The people from the hotel, all the people, were asking us to do things and we were ready to do that.
